The COUNTESS table lamp convinces with its simple and classically inspired shape. A pleasant light is emitted through the small glass in the shape of a sphere, which creates a cosy lighting atmosphere. Equipped with a practical on/off touch function, this table lamp finds a place everywhere. The white glass shade creates a great contrast to the base of the luminaire in wood look. For energy-saving lighting, it is recommended to use an LED illuminant. These are an optimal alternative to conventional halogen lamps and stand for a high quality of light and energy savings of up to 80%. In addition, LED lamps help you benefit from a long service life, low heat generation and at the same time protect the environment.
